

**Fig. DS1** Example of the Community Informant Detection Tool, translated into English from the Nepali original (the original version in Nepali does not use psychiatric labels for the vignettes)

<b>Name:</b> _____	<b>Location:</b> _____										
<div style="background-color: #0056b3; color: white; padding: 2px;"><b>Depression</b></div> <p>Since the last Dashain festival, Ram Bahadur looks really down and sad. It seemed to have started when his wife died. Nowadays, along with the loss of interest in his work, he doesn't feel like doing anything, not even taking care of his baby son. These days, as he cannot fall asleep at night and has difficulty sleeping, he feels weak and fatigued. He has started to get angry and irritated with his family and friends even about trivial matters. As he feels easily tired and weak, he has started thinking that he cannot do anything in his life. Since past few days, he has started feeling that his future is dark, because of which he does not want to live or feels that his life is useless. For 5 months he has hardly worked on the field anymore, he just sits at home all day.</p>	<p><b>Referred by (Name):</b> _____</p> <p><input type="checkbox"/> Teacher    <input type="checkbox"/> Mother's Group    <input type="checkbox"/> Traditional Healer    <input type="checkbox"/> FCHV</p> <div style="background-color: #0056b3; color: white; padding: 2px;"><b>OBSERVATION</b></div> <div style="text-align: center; padding: 10px;"> </div>										
<div style="background-color: #0056b3; color: white; padding: 2px;"><b>QUESTIONS</b></div> <p>A1. Does this narrative apply to the person you are talking to now?</p> <table style="width: 100%; border-collapse: collapse;"> <tr> <td style="padding: 2px;">• No match (description does not apply) .....</td> <td style="text-align: right; padding: 2px;">1</td> <td rowspan="4" style="font-size: 2em; padding: 0 10px;">}</td> <td rowspan="4" style="text-align: center; vertical-align: middle;"> <div style="background-color: #f08080; padding: 5px; border: 1px solid black;">Finished</div> </td> </tr> <tr> <td style="padding: 2px;">• Moderate match (person has significant features of this description) .....</td> <td style="text-align: right; padding: 2px;">2</td> </tr> <tr> <td style="padding: 2px;">• Good match (description applies well) .....</td> <td style="text-align: right; padding: 2px;">3</td> </tr> <tr> <td style="padding: 2px;">• Very good match (person exemplifies description, prototypical case) .....</td> <td style="text-align: right; padding: 2px;">4</td> </tr> </table> <div style="text-align: right; margin-top: 10px;"> <div style="background-color: #add8e6; padding: 5px; border: 1px solid black;">Go to A2/A3</div> </div>		• No match (description does not apply) .....	1	}	<div style="background-color: #f08080; padding: 5px; border: 1px solid black;">Finished</div>	• Moderate match (person has significant features of this description) .....	2	• Good match (description applies well) .....	3	• Very good match (person exemplifies description, prototypical case) .....	4
• No match (description does not apply) .....	1	}	<div style="background-color: #f08080; padding: 5px; border: 1px solid black;">Finished</div>								
• Moderate match (person has significant features of this description) .....	2										
• Good match (description applies well) .....	3										
• Very good match (person exemplifies description, prototypical case) .....	4
