

Weighting the relative importance of behaviors affecting gait score

Barbara Jones, I Ching Tsai, Yu-Mei Chang, Jeffrey Bewley

SUPPLEMENTARY FILE

Figure S1: A schematic depicting how each individual gait aspect was assessed.

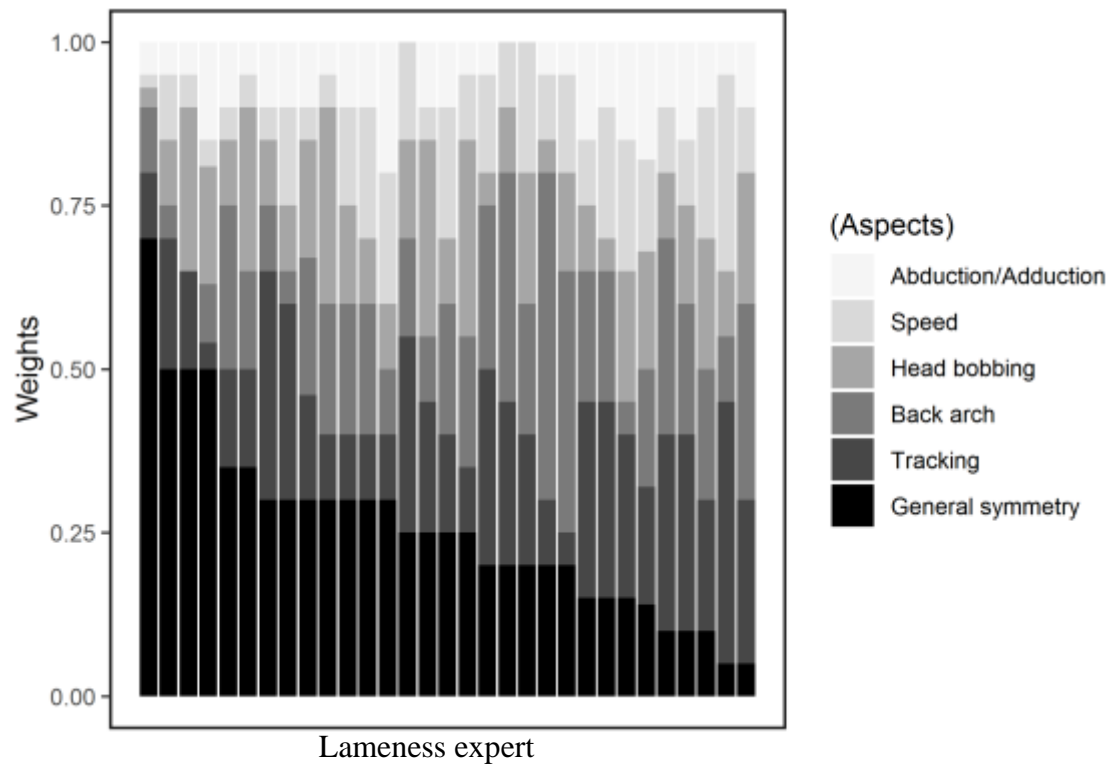

Weighting the relative importance of behaviors affecting gait score

Barbara Jones, I Ching Tsai, Yu-Mei Chang, Jeffrey Bewley

SUPPLEMENTARY FILE

Figure S2: Weights applied to each gait aspect¹ as determined via a lameness expert survey used to determine what weight each gait aspect should receive.

¹Gait aspects were determined from Olmos et al. (2009).
