REGENT STREET, W.

Nov. 20 1887

Dear Sir Maxwell,

Please find annexed
transcript of the shorthand
notes.

I have marked one or two
words which you had not
an opportunity of altering
last evening.

I think the long sentence
on page 2. could be re-cast
with advantage.

I will be disengaged from
2 — 7 o'clock today should
you want me faithfully
