The author would like to correct some errors in the aforementioned article:

- On page 5, “So where individuals’ interest in a given project....” should read “So where an individual’s interest in a given project....”.
- On page 12 “exclude all outsiderstout court” is missing a space between “outsiders” and “*tout court*”.
- There are two entries in the bibliography for Waldron’s Right to Private Property. One should be deleted and in-text references merged on the entry that remains.
- The bibliographical entry for Byas & Christmas should say “forthcoming” not “2019” and the in-text reference should agree.
- The bibliographical entry for Grotius refers to the chapter name not the book name. The book name is “*de Jure Belli ac Pacis*”, sometimes translated into English as “The Laws of War and Peace”.
- The bibliographical entry for Argenton & Rossi says “unpublished” but the entry for Tésou & van der Vossen says “Unpublished manuscript, available online”. They should be made to agree.

The author apologises for these errors.
