

## Survey reveals interdisciplinarity of MSE faculty

Parag Banerjee and Robert M. Briber

The table shows the institution surveyed and the number of faculty members from each Materials Science and Engineering Department who maintained active academic and biographical data on their web pages.

**Table. Institutions surveyed.**

Institution Name	Number of Faculty Scanned
Georgia Institute of Technology	43
Massachusetts Institute of Technology	40
Northwestern University	38
University of Texas at Austin	35
University of Michigan–Ann Arbor	32
North Carolina State University	29
University of Pennsylvania	29
University of California–Berkeley	28
University of Florida	28
Purdue University	26
University of California–Santa Barbara	26
Rensselaer Polytechnic Institute	25
University of Illinois at Urbana-Champaign	24
University of California–Los Angeles	21
Carnegie Mellon University	19
University of Wisconsin–Madison	19
California Institute of Technology	16
Cornell University	16
Pennsylvania State University	16
University of Washington	15
Arizona State University	12
University of Maryland–College Park	8
Stanford University	1
