Audio and text files containing experimental materials and results are available at <https://doi.org/10.1017/S0952675719000034>. The audio files are in .aiff and .wav formats. The text files are either Praat text grids or csv.

The zipped files contain the following:

A folder containing audio files for Experiment 1 stimuli (.aiff; open in audio program).

A folder containing audio files for Experiment 1 results (.wav; open in audio program) and accompanying text grids (.TextGrid; open in Praat with associated .wav file).

A coded results file for Experiment 1 analysis (.csv; open in spreadsheet program).

A folder containing audio files for Experiment 2 stimuli (.aiff; open in audio program).

A coded results file for Experiment 2 analysis (.csv; open in spreadsheet program).
