

PSYCHIATRIC BULLETIN of the ROYAL COLLEGE OF PSYCHIATRISTS

© The Royal College of Psychiatrists

Index to Volume 26, 2002

Compiled by Linda English

Part I – Subjects 1–11
Part II – Contributors 11–15

Part I - Subjects

(C) = Correspondence

Abreaction

R. Denson (C) 276 Survey of use by consultant psychiatrists. Simon Wilson 5860

Accident and emergency departments

Mental health presentations. S. Cassar *et al* 134–136

Accredited accommodation

An alternative to in-patient care. C. Readhead *et al* (Special article) 264–265

Acute psychiatric care

Acute general psychiatry: too hot in the kitchen? Peter Tyrer (Opinion and debate) 5

Acute hospital care. Luiz Dratcu (Editorial) 81–82.

K. A. L. A. Kurupparachchi and S. S. William (C) 315

Acute hospital care. Matt Muijen (Special article) 342–343

Acute wards: a participant observation study. Alan Quirk and Paul Lelliott (Director, Research Unit) (Special article) 344–345

Acute wards: their fall and rise. Hugh Griffiths (Special article) 428–430

Alternatives to acute wards: users' perspectives. Peter Relton and Phil Thomas (Special article) 346–347

Creating a psychotherapeutic culture in acute wards. Jeremy Holmes (Special article) 383–385

Nursing matters in acute care. C. Allen and J. Jones (Special article) 458–459

A rehabilitation approach to in-patient care. Sarah Davenport (Special article) 385–388

Therapeutic community solutions to acute ward problems. Rex Haigh (Special article) 380–382

Admission

Discrepancies in prescribing between primary and secondary sectors. Salwa Morcos *et al* 371–37

Socio-economic deprivation and psychiatric referral and admission rates. G. M. Soomro *et al* 175–17

Underdetection of comorbid drug use at acute admission. A. Ley *et al* 248–251

Adolescents see Child and adolescent psychiatry

Adult psychiatry see General adult psychiatry

Advance statements

Least restrictive alternative – advance statements and the new legislation. J. M. Atkinson and H. C. Garner (Opinion and debate) 246–247

Alcohol misuse

Assessing intoxicated patients. Francis Keaney *et al* (C) 468

Driving and substance misuse. J. D. Chick and E. B. Ritson (C) 156

Management of suicidal ideation while intoxicated. Rosemary McCaffery *et al* 332–334

MIDAS: service for the mentally ill with comorbid drug misuse. R. Bayney *et al* 251–254

Amphetamine

Natural history of misuse. Rupert White (C) 196

Prescribing. Andrew McBride *et al* (C) 235

Survey of prescribing by drug services. H. F. Moselhy *et al* 61–62

Anorexia nervosa

Intensive day programme treatment. H. Birchall *et al* 334–336

Self-help books on eating disorders. Helen Birchall (Reading about) 116–117

Antidepressants

Clinical management of depression: case study to examine GPs' views. Sarah Marriott *et al* 255–257

Antipsychotics

Antipsychotic medication review service at the Maudsley Hospital. James Stone *et al* 291–294

Atypical antipsychotics. P. J. McKenna (C) 36. Paul Bebbington and John Geddes (Authors' reply) (C) 36–37

Audit of prescribing for in-patients in the UK. M. Harrington *et al* 414–418

Catatonia and neuroleptic malignant syndrome. Robert Chaplin (C) 197. Max Fink and Michael A. Taylor (C) 393

Clozapine initiation in the community. Aileen O'Brien and Mike Finn 339–341

Co-prescribing of atypical and typical antipsychotics. D. Taylor *et al* 170–172

Co-prescribing of atypical and typical antipsychotics: true rate much higher. Rebecca Horne (C) 316

Grand rounds: catatonia. S. J. Carey *et al* (Special article) 68–70

The influence of patient variables on polypharmacy and combined high dose. P. Lelliott (Director, Research Unit) *et al* 411–414

List of atypical drugs? Clive E. Adams (C) 356

Mirror-image studies. Hugh L. Freeman (C) 155–156

Prescribed for in-patients. Variation between services in polypharmacy and combined high dose. M. Harrington *et al* 418–420

Prescribing patterns for psychotic and behavioural symptoms in dementia. K. Scott *et al* 288–290

Prescribing – time to review practice. David Taylor (Editorial) 401–402

Recent studies on ECG changes, use and sudden death. J. G. Reilly *et al* (Drug information quarterly) 110–112

Use of atypical antipsychotics by consultants in forensic settings. Carol Paton *et al* 172–174

Appeals

Dr Anthony Storr Bursary Fund 240

Request for information on Dr Edward Maphother 120

Royal Medical Benevolent Fund. *Inside back cover* December No. 12

Appelbaum, Paul S.

In conversation with Sameer P. Sarkar (Special article) 305–309

Arts

Art at Belgrave Square (Royal College) 198

Mind Odyssey indeed. John Cox (President) (C) 37

see also Literature; Poetry

Attention-deficit hyperactivity disorder (ADHD)

Development of a multi-professional integrated care pathway. Isabel C. Burgess (*Special article*) 148–151

Audit

Of case-load and case-mix of higher specialist trainees in child and adolescent psychiatry. Nicola Sharp and Tim Morris 212–215.
Commentary. David Cottrell (*Opinion and debate*) 208–209
Missed-fit ECT audit. Mayura Deshpande and Tegwedd Freer (C) 275
Of prescribing of antipsychotics for in-patients in the UK. M. Harrington *et al* 414–418
The quality of medical reports to mental health review tribunals. Paul Egleston and Michael D. Hunter 215–218
Of risk assessment in an emergency setting. James Stone and George Szmukler 88–90
Of seizure duration in ECT. Tom MacEwan 337–339
Of transfers under the Mental Health Act from prison. Sarah Isherwood and Janet Parrott 368–370

Australia

How does it train its psychiatrists? Joe Stratford (*Education and training*) 73–74
And the UK. Old age psychiatry services: long-stay care facilities. John Snowdon and Tom Arie (*Special article*) 24–26. Neville Hills (C) 235–236

Autistic disorder

Prevalence rate in adults with learning disability. C. N. Morgan *et al* 127–130

Awards

BUPA Foundation Communication Award 2002. *Inside back cover* May No. 5 Kurt Schneider Scientific Award 160
see also Royal College: Prizes and awards

Bangladeshis

Access to a child mental health service. Graeme Lamb *et al* 15–18

Benzodiazepines

And disinhibition. Carol Paton (*Drug information quarterly*) 460–462

Book reviews see Reviews**Books see Literature****Britain**

Services for the treatment of transsexuals. S. Murjan *et al* 210–212
Treatment of refugees: service provision reflects ambivalence. Matthew Hodges and David Goldberg (*Editorial*) 1–2
see also England; Scotland; Wales

British Pakistani Psychiatrists' Association 399**British Psychological Society**

Review. Brian Martindale *et al* (C) 197–198

Brunswick House

A weekend crisis house. Richard Hodgson *et al* 453–455

Capacity see Mental incapacity**Care Programme Approach**

The eCPA. A computerised planning system. Roger Howells and Amanda Thompsell (*Special article*) 266–268

Carers

New guide. *Inside back cover* December No. 12

Carson, Rosemary

Art at Belgrave Square (*Royal College*) 198

Case-mix

Audit of case-load and case-mix of higher specialist trainees in child and adolescent psychiatry. Nicola Sharp and Tim Morris 212–215.
Commentary. David Cottrell (*Opinion and debate*) 208–209
Two weeks in the life of a community mental health team. Michael D. Hunter *et al* 9–11

Catania

Grand rounds. S. J. Carey *et al* (*Special article*) 68–70

Made complex. Tom Clark (C) 275. Stephen Carey and David Hall (*Authors' reply*) (C) 275

And neuroleptic malignant syndrome. Robert Chaplin (C) 197.

Max Fink and Michael A. Taylor (C) 393.
Jennifer Dolman and Rosemary Baker (C) 393–394

Changing Minds Campaign

Liz Hare (C) 156 Roadshow breakfast briefing. Brice Pitt (*Royal College*) 198–199

Chaplain

Significance within the mental health care team. Lorna H. Rattray (*Special article*) 190–191

Child and adolescent psychiatry

Access to a child mental health service. Graeme Lamb *et al* 15–18

ADHD - a multi-professional integrated care pathway. Isabel C. Burgess (*Special article*) 148–151

Audit of case-load and case-mix of higher specialist trainees. Nicola Sharp and Tim Morris 212–215

Commentary. David Cottrell (*Opinion and debate*) 208–209

The child and young person with a learning disability: a guide to resources and information. Adrienne Regan and Angela Hassiotis (*Reading about*) 39–40

Mental Health Act Section 12 approval training 399

Self help books on pre-school parenting problems. Jo Douglas (*Reading about*) 78–79

What teenagers want from a post-abuse service. R. Potter *et al* 377–379

China

Commentary: the alleged abuses of human rights in Chinese psychiatry. M. Deahl (*Opinion and debate*) 445–446

The labelling of dissent – politics and psychiatry behind the Great Wall. D. Lyons and A. O'Malley (*Editorial*) 443–444

WPA World Congress and political abuse of psychiatry. Robert van Voren (*Editorial*) 441–442

Clinical governance

In the asylum. Paul Wolfson *et al* (*Special article*) 430–432

Commission for Health Improvement. *Inside back cover* December No. 12

Clinically Useful Enquiry System (CLUES)

Almost an electronic patient record and almost free. G. Searle *et al* (*Special article*) 145–148

Clinically useful electronic patient record. Adrian Treloar and Julie Hunt (C) 315

Clozapine

Atypical antipsychotics. P. J. McKenna (C) 36.
Paul Bebbington and John Geddes (*Authors' reply*) (C) 36–37

Initiation in the community. Aileen O'Brien and Mike Finn 339–341

Collegiate Trainees' Committee

Ed Day (*CTC Chairman*) and Jim Bolton (*CTC Honorary Secretary*) (*Special article*) 22–23

Commission for Health Improvement

Inside back cover December No. 12

Community care

Acute hospital care. K. A. L. A. Kurupparachchi and S. S. Williams (C) 315

Clozapine initiation in the community. Aileen O'Brien and Mike Finn 339–341

Commentary: rethinking research in community mental health. S. P. Sashidharan (*Opinion and debate*) 408

Community psychiatry in Nigeria. Ade Adewunmi (C) 394–395

Crisis intervention in the UK. Andrew Sandor (C) 113

Depot injections in the community. Alan Gibson (C) 316

Psychiatrists, stigma and unlimited responsibility. O. A. Ojo (C) 114

Community mental health teams

A brief psychiatric screening clinic. Ross Hamilton *et al* 218–221

The eCPA. A computerised Care Programme Approach planning system. Roger Howells

and Amanda Thompsell (*Special article*) 266–268

Gatekeeping access to teams. P. McEvoy *et al* 56–58

Impact of suicide on teams. Stuart Linke *et al* 50–52

Socio-economic deprivation and psychiatric referral and admission rates. G. M. Soomro *et al* 175–178

Survey of case-mix and clinical activity in Sheffield. Michael D. Hunter *et al* 9–11

Community psychiatric nurses

Gatekeeping access to community mental health teams. P. McEvoy *et al* 56–58

Comorbidity

MIDAS: service for the mentally ill with comorbid drug misuse. R. Bayney *et al* 251–254

Underdetection of comorbid drug use at acute admission. A. Ley *et al* 248–251

Competence see Mental incapacity**Compliance therapy**

Teaching psychiatric trainees. S. Surguladze *et al* 12–15

Computers

Clinically useful electronic patient record. Adrian Treloar and Julie Hunt (C) 315

The Clinically Useful Enquiry System (CLUES). G. Searle *et al* (*Special article*) 145–148

The eCPA. A computerised Care Programme Approach planning system. Roger Howells and Amanda Thompsell (*Special article*) 266–268

Free access to online journals for developing countries. Femi Oyebo (*Editorial*) 41

Information and communication technology in mental health. Roy McClelland *et al* (*Editorial*) 362–363

Consent

Can deception be therapeutic? Ernest Gralton and John J. Sandford (C) 114. Larry Culliford (C) 276

Competency and use of the Mental Health Act. Jacinta Tan and Martin Elphick (*Special article*) 104–106

Medico-legal implications of drug treatment in dementia. Shokoufa Manouchehri Kashani and Julian C. Hughes (C) 436

Consultants

Consultants as Partners in Care. Council Report (*Royal College*) 157

Cost of locums. Chris Thomas (C) 75

Gatekeeping access to community mental health teams. P. McEvoy *et al* 56–58

The interface between general and prison psychiatry – perception. Sara Smith *et al* 130–132

Mentoring for newly appointed consultants. G. Roberts *et al* (*Special article*) 106–109

Psychiatry of learning disability – a future with mental health? R. Alexander *et al* 299–301

The Role and Contribution of the Consultant Psychiatrist in Psychotherapy in the NHS. Council Report (*Royal College*) 358

The Role of Consultants with Responsibility for Substance Misuse. Position Statement by the Faculty of Substance Misuse. Council Report (*Royal College*) 357–358

The Roles and Responsibilities of a Consultant in Adult Psychiatry. Council Report (*Royal College*) 157

Specialist registrars' views on the proposed reform of the Mental Health Act. Maya Spencer and Alain Gregoire 374–377

Survey of use of abreaction. Simon Wilson 58–60

Use of atypical antipsychotics in forensic settings. Carol Paton *et al* 172–174

What about the workforce? Louis Appleby (*National Director for Mental Health*) (*Special article*) 21

What does 'responsible medical officer' mean in a modern mental health service? Peter Kennedy and Hugh Griffiths (*Opinion and debate*) 205–208

- Corrigenda**
Inside back cover February No. 2, Inside back cover April No. 4, Inside back cover June No. 6
- Costs**
The benefits and costs of continuous inspections. David Goldberg (*Editorial*) 361–362
Cost of locum consultants. Chris Thomas (C) 75
- Covert medication**
Ever ethically justifiable? Susan Welsh and Martin Deahl (*Opinion and debate*) 123–126
- Criminality**
Police case disposal. R. Bayney and G. Ikkos (*Special article*) 182–185. Adrian R. Brown (C) 315
- Crisis services**

'Not in perfect mind' - the complexity of clinical capacity assessment. Vanessa Raymont 201–204
The treatment of refugees: service provision reflects Britain's ambivalence. Matthew Hodes and David Goldberg 1–2
What is the future of the psychiatry of learning disability? Sheila Hollins 283–284
The WPA World Congress in Yokohama and the issue of political abuse of psychiatry in China. Robert van Voren 441–442

Education

Building a culturally capable workforce. Parimala Moodley (*Sub-Dean and Chair, Transcultural Special Interest Group*) (*Special article*) 63–65

Quality of educational materials about schizophrenia. C. Currie *et al* 96–98
see also **Education and training; Training**

Education and training

The Exeter half-day release psychotherapy training scheme - a model for others? J. Wildgoose *et al* 31–33

How does Australia train its psychiatrists? Joe Stratford 73–74

Joint trainers and trainees forum – a collaborative approach to higher specialist training. Lesley Hewson and Barry Wright 33–35

A new opportunity: three tales of training in liaison psychiatry of old age. John Holmes *et al* 433–435

Patient management problems: 'the vignettes'. R. G. McCreadie 463–467

Promoting psychiatry in the medical school. E. B. L. Ovuga *et al* 194–195

Psychiatry training in Europe: a brief history of the European Federation of Psychiatric Trainees. Ed Day (*CTC Chairman*) *et al* 152–154

The research day: a suitable case for treatment? C. Vassilas *et al* 313–314

Research in psychiatric higher specialist training: a survey of specialist registrars. L. Allsopp *et al* 272–274

Time for cognitive reframing - becoming a specialist in adult psychiatry. Kate F. Lovett 354–355

Training late - from branch to mainline at 40. Christine Leaman and Sarah Lyle 233–234. Sara Walker (C) 356–357

Elderly

An ethical perspective on institutional abuse. Jane Garner and Sandra Evans (*Opinion and debate*) 164–166

Fear of flying, reviewed. Gianetta Rands (*Special article*) 188–190

General psychiatry: cuckoo. David Jolley (C) 197
Government proposals for Mental Health Act require redesigning. Adrian Treloar and Sunita Sahu (C) 75–76

Long-stay care facilities in Australia and the UK. John Snowdon and Tom Arie (*Special article*) 24–26. Neville Hills (C) 235–236

Medico-legal implications of drug treatment in dementia. R. M. Lawrence *et al* (*Drug information quarterly*) 230–232. Shokoufa Manouchehri Kashani and Julian C. Hughes (C) 436

Nurse uniforms. Shiela Mackenzie and Jeff Clarke (C) 316

Prescribing patterns for psychotic and behavioural symptoms in dementia. K. Scott *et al* 288–290

Psychiatric Services for Black and Minority Ethnic Elders. Council Report (*Royal College*) 477

Survey of academic provision for old age psychiatry. J. Lindesay *et al* 92–95

Training in liaison psychiatry of old age. John Holmes *et al* (*Education and training*) 433–435

Electoral registration

Draft statement (*Royal College*) 236

Electroconvulsive therapy (ECT)

Anaesthesia: a role for etomidate. Susan M. Benbow *et al* (*Drug information quarterly*) 351–353

Audit of seizure duration. Tom MacEwan 337–339

Guidelines for anaesthesia (*Royal College*) 237–238

Induction agents: comparison of methohexitone and propofol. Allan Scott and Harold Boddy 455–457

Missed-fit audit. Mayura Deshpande and Tegwedd Freer (C) 275

Emergencies

Mental health presentations to an accident and emergency department. S. Cassar *et al* 134–136

Risk assessment in an emergency setting. James Stone and George Szmukler 88–90

Employment

Unemployment among patients with long-term mental health problems. Rachel Perkins and Miles Rinaldi 295–298

England

The National Institute for Mental Health in England. Paul Lelliott (*Director, Research Unit*) (*Editorial*) 321–324

And Wales. NHS Direct - a telephone helpline. Jed Boardman and Carolyn Steele (*Opinion and debate*) 42–44

And Wales. Variations in substance misuse services waiting times and methadone treatment. Jason Luty 447–448

see also **East and West Midlands; Exeter; Gloucester rehabilitation service; Leicester; London; North Staffordshire; Sheffield**

Ethics

Can deception be therapeutic? Ernest Gralton and John J. Sandford (C) 114. Larry Culliford (C) 276

Commentary: the alleged abuses of human rights in Chinese psychiatry. M. Deahl (*Opinion and debate*) 445–446

Covert medication - ever justifiable? Susan Welsh and Martin Deahl (*Opinion and debate*) 123–126

Institutional abuse of older adults. Jane Garner and Sandra Evans (*Opinion and debate*) 164–166

The labelling of dissent - politics and psychiatry behind the Great Wall. D. Lyons and A. O'Malley (*Editorial*) 443–444

Military psychiatry. Julian C. Hughes (C) 395
WPA World Congress and political abuse of psychiatry in China. Robert van Voren (*Editorial*) 441–442

Ethnicity

Medical school of training, age, gender and success in the MRCPsych exams. S. P. Tyrer *et al* 257–263

Ethnic minorities

Access to a child mental health service. Graeme Lamb *et al* 15–18

Psychiatric Services for Black and Minority Ethnic Elders. Council Report (*Royal College*) 477

Report of the Ethnic Issues Project Group. Council Report (*Royal College*) 38

Etomidate

Anaesthesia for ECT. Susan M. Benbow *et al* (*Drug information quarterly*) 351–353

Guidelines for ECT anaesthesia (*Royal College*) 237–238

European Federation of Psychiatric Trainees

Brief history. Ed Day (*CTC Chairman*) *et al* (*Education and training*) 152–154

European Union of Medical Specialists

Activities of the Section and Board of Psychiatry. Joseph Saliba and Cornelius Katona (*Special article*) 224–227

Evidence-based psychiatry

Attitudes of psychiatrists to evidence-based guidelines. Harvey Rees *et al* 421–424

Commentary: putting mental health services research on the map. Frank Holloway (*Opinion and debate*) 409–410
