

The PHN Scholar Impact Survey

Please complete the survey below.

Thank you!

Code _____

First, we'd like to hear what you think about the process used to select applicants for the PHN Scholar award

1. Which of the following describes your role in the PHN Scholar program? (select all that apply)

- PHN Center PI for a funded scholar
- PHN Center PI for an unfunded scholar
- Project mentor

2. Overall, how would you rate the process used to review and select applicants for the PHN Scholar award?

- Poor
- Fair
- Good
- Excellent

3. How clear were the criteria the review committee used to evaluate applicants?

- Not clear
- Somewhat clear
- Very clear

4. How fair was the selection process?

- Not fair
- Somewhat fair
- Very fair

4a. What was unfair about the process?

5. How qualified were the review committee members to evaluate PHN scholar applicants?

- Not qualified
- Somewhat qualified
- Very qualified

5a. How helpful would it be to include more senior level faculty on the review committee?

- Not helpful
- Somewhat helpful
- Very helpful

6. What could be done to improve the selection process?

Next, we'd like to know about your views of the goals of the PHN Scholar program and how well it achieved them.

7. How clear were the goals of the program made to you?

- Not clear
- Somewhat clear
- Completely clear

8. Overall, to what extent did the program achieve its goals?

- Not at all
- Somewhat
- Completely

9. To what extent has the scholar program benefited each of the following groups?

	Not at all	Somewhat	Very much
a. The scholars	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b. The mentors	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c. The center PIs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d. The centers as a whole	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
e. The PHN network	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

10. If you have any suggestions for how to make the scholarship program more beneficial for the centers as a whole, please share them here:

11. Would you be in favor of offering fewer scholarships in order to increase the amount of funding provided to each scholar?

- No
 Yes

12. Would you recommend the PHN Scholar program to other early career investigators?

- No
 Yes
 Not sure

We're also interested in your impressions of the mentorship process.

13. How clear were your responsibilities in the scholar mentoring process?

- Not clear
 Somewhat clear
 Completely clear

14. To what extent were you involved in mentoring the PHN scholars?

- Not at all
 Somewhat
 Very

15. What do you think could be done to improve the quality of the mentorship provided to the scholars? Your ideas will help us improve the program.

16. One idea that's been proposed is to incorporate more formal processes for providing feedback to the scholars on their work, such as breakout sessions at the PHN meeting. How beneficial do you think adding this type of formal feedback process would be?

- Not beneficial
 Somewhat beneficial
 Very beneficial

17. What barriers would there be to extending mentorship across multiple centers?

18. Would you be in favor of the development of multi-center applications (i.e. with more than one scholar as PI) in the future?

- No
 Yes

19. If you have any other thoughts, suggestions, or comments about how to improve the PHN Scholar program, please feel free to share them here:

Thank you. We really appreciate your completion of the survey, and value your input into helping to ensure the PHN Scholars Program's continuing success.
