

## SUPPORTING INFORMATION

**Table S1. Variables and Data Sources**

<i>Variable</i>	<i>Source</i>
Switcher	-Council of State Governments (various years) -Klarner et al. (2013) -Lists provided to us by Jim Glaser and Christian Grose -Various government websites, state media sources
Term limited	-www.nscl.org
Age	Klarner (personal communication)
Previous general election vote %	-Klarner et al. (2013)
District household income (in \$ '000s)	-Lilley et al. (2008)
District college education %	
District % black	
Years in office	-Klarner et al. (2013) -Various websites (e.g., Ballotpedia, media biographies)
Black legislator	-Joint Center for Political and Economic Studies (various years)
Redistricting	-Various websites (e.g., fairvote.org; ballotpedia)
Majority	-Klarner (2003) <a href="http://www.indstate.edu/polisci/clarnerpolitics.htm">http://www.indstate.edu/polisci/clarnerpolitics.htm</a> -Council of State Governments (various years)
Legislator ideology	Shor and McCarty (2015)
Change in Democratic seat shares	Jordan and Grossmann (2016)
Legislative professionalism	

**Table S2. Multinomial probit regression model of the decision to retire, seek reelection, or seek higher office**

<i>Independent variable</i>	Omitted category: Retiring		
	vs. Seeking reelection		vs. Seek higher office
	<i>Coefficient (standard error)</i>	<i>Coefficient (standard error)</i>	<i>Coefficient (standard error)</i>
Switcher	0.46 (0.26) <sup>†</sup>		0.82 (0.34)*
Years in office	-0.06 (0.01)**		-0.03 (0.02)
