

Joanne McGovern, LTC (RET), Yale School of Public Health

LTC (RET) Joanne E. McGovern is a highly decorated combat veteran with over 34 years of experience in disaster and humanitarian assistance operations. Upon her retirement from the US Army she became the Chief Operations Officer for the Yale ESF-8 Planning and Response Program. She has served as a lecturer at the Yale School of Public Health, Environmental Health Science Department for the past four years, where she taught courses in Medical and Public Health Emergency Planning and Operations. Currently she is serving as Region I Planning Manager for Team Rubicon, a nongovernmental organization that unites the skills and experiences of military veterans with first responders to rapidly deploy emergency response teams both domestically and internationally.
